To The Honorable Manuel L. Real

Dear Judge Real,

I am writing this letter in regards to Mr. Juan Banales Venegas. I was recently saddened to learn that Juan was connected to a case involving real estate fraud.

I had the pleasure of knowing Juan when he was a student in my U.S. History class at Pacifica High School in Oxnard California. Juan was always a good student, very respectful with an outgoing personality. As I recall, he was always very conscientious about his school work. He was motivated and he planned on continuing his education after high school. Many times he mentioned that he wanted to go to college and we would talk about the steps needed to reach that level. As time passed, Juan graduated, and moved on with his life and we lost contact.

It wasn't until recently that I was made aware of the serious problem that Juan had. Juan's attorney contacted me and asked if I would be willing to write this brief letter on Juan's behalf. Without hesitation I replied yes.

It's unfortunate that Juan's life has taken this direction, but I believe that Juan is a good person with a good heart. I understand his sentencing date is coming and I would like to ask your honor to please consider that Juan is a young man starting out life and was led down the wrong path and made bad choices. I would just ask your honor, if at all possible to have compassion and leniency for this young man when justice is carried out. Your honor, I thank you for taking time from your busy schedule to read this letter in support of Juan Banales Venegas.

Sincerely,

Santiago "Jim" Luevanos

Re: Mr. Juan Venegas Bañales

Dear: Mr. Manuel Real, Supreme Court of California:

It is with great pleasure for me to write this letter in support of Juan Venegas Bañales. I have personally known Mr. Venegas for fifteen years, and in those fifteen years he has been of great value to my family and me. He has proven to be respectful, reliable, responsible and extremely hard working. Mr. Venegas is a close friend of mine; he has been a great support for me. Whenever I have needed his help he has always been by my side, not just for moral support, but for anything that I have needed. He is seen as part of my family, and I am very devastated seeing him go through the problem he is going through at this moment. I know that Mr. Venegas is not perfect but no human being is everyone deserves a second chance. I strongly believe that Juan Venegas deserves that second chance. That is why I ask that you take this letter into consideration. Thank you very much for your time. Should you have any questions regarding the above please do not hesitate to contact me.

Re: Mr. Juan Venegas Bañales

Dear: Mr. Manuel Real, Supreme Court of California:

I Santiago Garnica am writing this letter with great pleasure for Juan Venegas Bañales. Juan has been in our family for about fifteen years now. He is a good friend of my daughters. In the time that I have known Juan he has proven to be very respectful and responsible. Juan is part of our family for those same reasons; I know that Juan is a trustworthy person, and an individual that I can rely on. Juan would always speak to me about his goals in life and how he would accomplish those goals. He is very passionate about everything he does. In my heart I know that Juan will do great things in life. It is extremely hurtful for me and my family to see Juan in the situation that he is in at this moment. I know that Juan Venegas will move on to bigger and greater things if he is given a second opportunity. All I ask is that you see the great person that he truly is and take into consideration everything he would like to accomplish in life.

Respectfully,

Santiago Garnica
